World Design Protopolis, WDP, Task Force Bengaluru,

Welcome to the WDP Bengaluru Task Force, where we offer a diverse range of career opportunities. Whether you are currently a student, doctoral candidate, or fresh out of college, we have positions that may be of interest to you.

Background

WDP is a five-year program renewed annually between the World Design Organisation Montreal, The Association of Designers of India, ADI, Srishti Manipal Institute of Art Design and Technology, SMI, as the anchor institution, and the city of Bengaluru represented by BBMP.

Bengaluru was nominated as World Design Protopolis by WDO in July 2023 and is the first city in the world to hold this title.

Over the 5 years that Bengaluru is Designated as World Design Protopolis, designers and other stakeholders will co-create solution prototypes that will make the city

1. more sustainable in terms of water, energy, waste management, mobility and resilience to climate change,
2. encourage green and circular entrepreneurship,
3. design and build meaningful and effective infrastructure
4. Make the city safe for women children elderly people with disabilities and non-humans,
5. Promote art culture heritage and food as the experience of the city
- 6 Create the pedagogies and technologies that will tackle today's big problems.

WDP is a marquee project, a benchmark for the world and an opportunity of a lifetime for those aspiring to create an impact at a local and global level.
